CLARIFICATION 1:

Attn.: All Prospective Bidders

RE: TENDER NO.: GF ATM HIV NFM-17/18 OIT 001 - SUPPLY AND DELIVERY OF ARV MEDICINES - ADULTS

In accordance with ITT Clause 11.1 (Clarification of Tender Documents) of the Open International Tender (OIT) issued under the above reference, we hereby respond to questions raised by a prospective bidder as follows:

Question 1:

Wanted clarity if the quantities mentioned in the above mentioned OIT would be supplied at one go within the 8-12 Delivery Timelines Or there will be several LPO's raised post the initial contract & delivery staggered over the validity of the contract. For short delivery timelines sea supplies will not be feasible & costing would be based on the Air supplies. However if KEMSA offers a slightly longer timelines we believe suppliers would be able to save on Air Freight & offer better prices to KEMSA.

Response:

Please comply with the delivery schedule as per the Tender document. Purchase orders and staggering of deliveries will be agreed upon at contract stage.

Yours faithfully,

Charles E. Juma
