CLARIFICATION 1

To: All Bidders,

RE: KEMSA/OIT08/2023-2024 for SUPPLY OF HEALTH PRODUCTS (ORAL FORMULATIONS - LIQUID DOSAGE FORMS AND TOPICAL PREPARATIONS)

Question

Item number 3, Product Code PM07SEV003 for Sevoflurane, the item description reads "Sevoflurane Solution for Inhalation with Inbuilt Filter" – this specification requested is queued towards only a certain brand of Sevoflurane that is provided by Abbott.

Can we still quote for our product that doesn't have an in-built Filter but one that is provided separately for use?

We hope to hear from you at the soonest possible to enable us to prepare a timely bid.

Response

YES, bidders may quote for a product without an inbuilt filter (read Filler). However, the other requirements still apply. Furthermore, bidders must provide evidence or commit in writing to place vaporizers in all 47 county referral hospitals.

Gilbert Mamati

FOR: CHIEF EXECUTIVE OFFICER
