ADDENDUM 2

Dear Sir/Madam,

RE: TENDER NO KEMSA-ONT21-2023/2024 PROVISION OF TRANSPORTATION OF NETS CONTAINERS TO VARIOUS DROP OFFS, RETURN OF CONTAINERS TO SHIPPING LINES AND LAST MILE DISTRIBUTION SERVICES TO ISSUING CENTERS

The following Queries were raised by interested bidder and response provided as detailed below;

Question 1:

Clarify the distribution points, for instance Kisumu has 726 distribution points and 11,355km?

Answer:

The distribution posts indicated in the tender are currently estimated .Quotation shall be based on county coverage of all the distribution posts as estimated in the price schedule . Kilometers given is just a guide and should not be used as a basis for quotation.

Question 2:

There is a column of estimated Kilometers in the price schedule which is not practical in Kenya geography.

Answer:

Ignore the estimated KMS in the price schedule. Use the parameters stated in the tender to guide in the quotation.

Note:

- Price schedule A and B have also been ammended as per the attached revised schedule.
- The requirement for bidders to provide fidelity guarantee policy and contractual liability insurance policy under MR3 has been removed. Bidders will only be required to provide Work Injury Benefit insurance policy.

Yours faithfully,

GILBERT MAMATI
